

Privacy statement

Collection and use of personal data belonging to customers, suppliers and other contractors

We would like to draw your attention to the fact that we will collect and use the personal data you provide to us because this is necessary to conclude with you and perform a possible agreement. This applies to both our (potential) customers and to parties from which we purchase goods and/or services.

If you are a (potential) customer of ours, we will use your data to be able to send you an offer, to be able to determine what specifications or wishes certain goods or services must satisfy, in order to be able to deliver goods or carry out the activities for you, in order to be able to invoice you and to be able to communicate with you quickly and efficiently concerning the implementation aspects of the agreement.

If you are a (potential) supplier or another contractor, your personal data are also required for concluding and performing the agreement. In case of purchasing, this is necessary in order to be able to inform you what specifications or wishes certain goods or services should satisfy in our opinion, to be able to send a request for an offer or to place an order with you, to be able to pay your invoices and to be able to communicate with you quickly and efficiently concerning other aspects of the agreement.

You are not obliged to provide your personal data to us. If you do not provide personal data to us or provide us with insufficient personal data it may be the case that we will not be able to carry out the abovementioned activities.

Transfer to third parties

In connection with the performance of a possible agreement with you it may be necessary to provide your personal data to parties that supply parts, materials or products to us or who perform activities on our instructions. We furthermore make use of external server space for the storage of (parts of) our sales and purchasing records and our records of business relations. Your personal data are part of these records. We also use Microsoft Office and the related storage facilities for e-mails and other files.

Retention period personal data belonging to business relations

In all occurring events we will store your personal data in a safe and reliable manner (please refer to the above paragraph "Transfer to third parties" as well) for both historical and statistical purposes.

Your rights

You have the right to request to inspect your own personal data. If there is reason to do so, you may also request us to supplement your personal data or to correct

inaccuracies. You also have the right to request that your personal data be deleted or that the use of your personal data be limited. Objection to the collection and use of your personal data is possible.
